### Press release

#### **JSC Halyk Bank has won Best Bank in Kazakhstan award of EMEA Finance magazine**

**After receiving three awards by Global Finance magazine since the beginning of 2012, EMEA Finance has announced that JSC Halyk Bank has won for a fourth consecutive year Best Bank in Kazakhstan award for its achievements and success in 2011.**

The winners were selected based on the financial institutions' performance and other considerations, such as market share, growth in important product classes, profitability and corporate strategy.

Christopher Moore, Publisher and CEO of EMEA Finance magazine says, "Halyk Bank continues its string of impressive results, and maintains its dominance as the market leader in the Kazakh banking sector. The bank's market share in key criteria areas including assets, deposits and loans is in the mid to high teens. This strong market positions allows the bank to innovate and to invest in new products year after year, which in turn strengthens its competitive position".

"Despite challenging situation in the financial market Halyk Bank was recognized as the Best Bank by respectful international magazine. This recognition shows not only the position of Halyk Bank, but also positive potential of Kazakhstan's financial market", says Umut Shayakhmetova, CEO of Halyk Bank.

Tim Burke, Editor of EMEA Finance magazine says, "Halyk Bank is increasingly a barometer for Kazakhstan's own growth and development prospects. The Bank generated a very impressive return on average equity of over twelve percent last year, and growth across most sectors of the bank was at or near this level. The bank's ratings were upgraded early in 2011, following fast on the heels of the sovereign's upgrade in November 2010".
