February 14, 2022

The results of the "Exchange Simulator" contest for 2021

The closing ceremony of the 13th annual KASE competition - "Exchange Simulator" was held on February 10, 2022.

Educational trading on KASE within the project was held in two stages: the first - from April 1 to May 31, 2021, the second - from October 1 to January 06, 2022. In total, more than 3500 students-participants of the project from 112 universities of Kazakhstan were registered.

According to the results of the competition 13 winners from eight universities were defined: "Narkhoz" University (5 people), L.N. Gumilev Eurasian National University (2 people), Al-Farabi Kazakh National University (1 person), Kazakh University of International Relations and World Languages named after Abylaykhan (1 person), Innovative Eurasian University (1 person), "Turan" University (1 person), "Kaynar" University (1 person), International University of Information Technology (1 person).

According to the results of 2021, the total volume of trading in the "Exchange Simulator" exceeded KZT5,1 billion. A total of 5,944 deals were concluded. The maximum volume of trades per person was KZT544 million, and the maximum number of transactions per participant was 522.

The partners and sponsors of the project in 2021 were the leading Kazakhstani brokerage companies. The total prize fund of the contest was KZT2.6 million. The winners of the "Exchange simulator" got 200 thousand tenge each on the real accounts of brokerage companies: 5 persons in JSC "Freedom Finance" and JSC "First Heartland Jusan Invest", 2 persons in JSC "BCC Invest" 2 persons and "Centras Securities" JSC - 1 person

The "Exchange Simulator" project is implemented by KASE as part of improving financial literacy among students. To raise awareness of the stock market, the Exchange experts held more than 30 lectures at universities of Kazakhstan.

The contest is implemented in the format of trading in the training trading system, the participants of which are given 1 million virtual tenge. Using these funds it is necessary to form the largest investment portfolio in terms of profitability.

For the past few years, the project has been conducted as part of the worldwide global program to improve financial literacy among youth and children Global Money Week, which has been joined by more than 130 countries around the world.

Thanks to the competition, participants get not only experience in the stock market, but also the opportunity to undergo an internship with the potential of further employment in leading financial institutions of Kazakhstan.

In turn, this is a unique opportunity for the partner companies to attract young employees with analytical skills and experience in investing in the stock market.

For reference

Kazakhstan Stock Exchange (KASE) is the leading stock exchange in the Central Asian region. KASE ranks second among the CIS exchanges in terms of the volume of securities trading and fifth in terms of capitalization of the FEAS stock market.

It is a universal trading market for corporate and government securities, bonds of international financial institutions, foreign currencies, money market transactions - repo and swap, as well as derivative instruments. KASE is a member of the International Federation of Exchanges (WFE), Federation of Euro-Asian Stock Exchanges (FEAS) and other international and domestic professional associations, as well as a member of the UN initiative "Stock Exchanges for Sustainable Development".
