Development Bank of Kazakhstan

JSC Development Bank of Kazakhstan
(a joint stock company organised in the Republic of Kazakhstan)

DRAWDOWN PROSPECTUS **prepared in connection with KZT100,000,000,000 9.5% Notes due 2020** **issued as Series 7** **under the U.S.\$2,000,000,000 Medium Term Note Programme**

This Drawdown Prospectus (the “**Drawdown Prospectus**”), which must be read and construed as one document in conjunction with information incorporated by reference herein (see “*Documents Incorporated by Reference*”), which includes the base prospectus dated 29 November 2017 (the “**Base Prospectus**”), is prepared in connection with the issue of KZT100,000,000,000 9.5% Notes due 2020 (the “**Series 7 Notes**” or the “**Notes**”) by JSC Development Bank of Kazakhstan (the “**Issuer**”) under its U.S.\$2,000,000,000 Medium Term Note Programme (the “**Programme**”).

The issue price of the Notes is 99.681% of their aggregate nominal amount, payable in U.S. Dollars based on an exchange rate for the conversion of Tenge into U.S. Dollars of KZT 333.43 = U.S.\$1.00, which is the Tenge / U.S. Dollar daily official (market) foreign exchange rate as at 7 December 2017, as reported by the National Bank of Kazakhstan (the “**NBK**”) and published on its website (<http://www.nationalbank.kz/?docid=362&switch=english>). The Notes will bear interest from (and including) 14 December 2017 (the “**Interest Commencement Date**”) to (and excluding) 14 December 2020 (the “**Maturity Date**”) at the fixed rate of 9.5% per annum payable semi-annually in arrear on 14 June and 14 December in each year. As the Notes are denominated in Tenge while, interest, principal and other amounts are payable in U.S. Dollars, the effective yield on an investment in Note in U.S. Dollars will be affected by fluctuations in the exchange rate between the Tenge and the U.S. Dollar. Accordingly, the effective interest rate paid on a U.S. Dollar-denominated investment in the Notes may not equal the nominal interest rate stated herein, which is to be applied to the outstanding balance of the principal amount of the Notes stated in Tenge, and the total yield, stated in percentage terms, on an investment in the Notes may not be the same when calculated in U.S. Dollars when calculated in Tenge.

All amounts of interest, principal and other amounts in respect of the Notes will be calculated by Citibank N.A., London Branch or any successor thereof in its capacity as calculation agent (the “**Calculation Agent**”) for payment in U.S. Dollars by dividing the relevant Tenge amounts by the Average Representative Market Rate on the applicable Rate Calculation Date (each as defined in “*Amendments to the Terms and Conditions of the Notes with respect to the Series 7 Notes*” below).

AN INVESTMENT IN THE NOTES INVOLVES A HIGH DEGREE OF RISK.

SEE “RISK FACTORS” IN THE BASE PROSPECTUS AND HEREIN FOR A DISCUSSION OF CERTAIN FACTORS THAT SHOULD BE CONSIDERED IN CONNECTION WITH AN INVESTMENT IN THE NOTES.

The Notes will be issued in denominations of KZT 50,000,000 and integral multiples of KZT 250,000 in excess thereof and will be represented on issue by a global note (the “**Regulation S Global Note**”) deposited with, and registered in the name of a nominee for, a common depository for Euroclear Bank SA/NV (“**Euroclear**”) and Clearstream Banking S.A. (“**Clearstream, Luxembourg**”). Beneficial interests in such Regulation S Global Note will be shown on, and transfers thereof will be effected only through records maintained by, Euroclear or Clearstream, Luxembourg. See “*Summary of the Provisions Relating to the Notes in Global Form*” in the Base Prospectus. Definitive Notes in registered form will only be available in certain limited circumstances as described therein.

This Drawdown Prospectus comprises a prospectus for the purposes of Article 5.3 of Directive 2003/71/EC, as amended (the “**Prospectus Directive**”). It has been approved by the United Kingdom Financial Conduct Authority (the “**FCA**”), which is the United Kingdom competent authority for the purposes the Prospectus Directive and relevant implementing measures in the United Kingdom. Application has been made to the Financial Conduct Authority in its capacity as competent authority (the “**UK Listing Authority**”) under the Financial Services and Markets Act 2000, as amended, for the Notes to be admitted to the Official List of the UK Listing Authority and to the London Stock Exchange plc (the “**London Stock Exchange**”) for the Notes to be admitted to trading on the London Stock Exchange’s Regulated Market. The London Stock Exchange’s Regulated Market is a regulated market for the purposes of Directive 2004/39/EC.

The Issuer will use its reasonable endeavours to cause the Notes to be admitted to the “**Bonds**” category of the “**Debt securities**” sector of the “**Main**” platform of the Kazakhstan Stock Exchange (the “**KASE**”) from (and including) the date of issue of the Notes. In addition, no Notes may be issued, placed or listed outside of the Republic of Kazakhstan without the prior permissions of the NBK (the “**NBK Permissions**”). As of the date of this Prospectus, the NBK Permissions with respect to the Notes have been duly obtained by the Issuer. Simultaneously with the offering of the Notes outside of the Republic of Kazakhstan, the Notes must be offered through the KASE on the same terms on which the Notes are being offered in a foreign state. Subject to sufficient demand, investors’ orders submitted through the KASE must be satisfied in the volume of not less than 20% of the total volume of the Notes to be placed. If the total volume of investors’ orders submitted through the KASE is less than 20% of the total volume of the Notes to be placed, such orders will be satisfied in full and any and all Notes remaining after the satisfaction of the investors’ orders submitted through the KASE may be offered and placed outside of Kazakhstan. In connection with the listing of the Notes on the KASE and the offer and sale of Notes in Kazakhstan, JSC Halyk Finance will act as sole Bookrunner and the other Bookrunners will not be involved in such process.

As at the date of this Drawdown Prospectus, the long-term foreign currency debt of the Issuer has been rated BB+ (stable outlook) by Standard & Poor’s Credit Market Services Europe Limited (“**S&P**”), BBB- (stable outlook) by Fitch Ratings Limited (“**Fitch**”) and Baa3 (stable outlook) by Moody’s Investors Service Limited (“**Moody’s**”). The Notes are expected to be rated BBB- by Fitch and Baa3 by Moody’s. Each of S&P, Fitch and Moody’s is established in the European Economic Area and is registered under Regulation (EU) № 1060/2009, as amended (the “**CRA Regulation**”). A credit rating is not a recommendation to buy, sell or hold securities and may be subject to suspension, reduction or withdrawal at any time by the assigning rating agency.

THE NOTES HAVE NOT BEEN, AND WILL NOT BE, REGISTERED UNDER THE U.S. SECURITIES ACT OF 1933, AS AMENDED (THE “**SECURITIES ACT**”), AND SUBJECT TO CERTAIN EXCEPTIONS, MAY NOT BE OFFERED OR SOLD WITHIN THE UNITED STATES OR TO, OR FOR THE ACCOUNT OR BENEFIT OF, U.S. PERSONS (AS DEFINED IN REGULATION S UNDER THE SECURITIES ACT (“**REGULATION S**”). THE NOTES MAY BE OFFERED AND SOLD TO NON-U.S. PERSONS IN OFFSHORE TRANSACTIONS IN RELIANCE ON REGULATION S. FOR A DESCRIPTION OF THESE AND CERTAIN FURTHER RESTRICTIONS, SEE “*SUBSCRIPTION AND SALE*” AND “*TRANSFER RESTRICTIONS*” IN THE BASE PROSPECTUS.

Each recipient of this this Drawdown Prospectus or the Base Prospectus incorporated herein by reference shall be taken to have made its own investigation and appraisal of the condition (financial or otherwise) of the Issuer. The contents of this Drawdown Prospectus or the Base Prospectus incorporated herein by reference are not to be construed as, and should not be relied on as, legal, business or tax advice and each prospective investor should consult its own legal and other advisers for any such advice relevant to it.

The language of this Drawdown Prospectus is English. Certain legislative references and technical terms have been cited in their original language in order that the correct technical meaning may be ascribed to them under applicable law. In connection with the listing of the Notes on the KASE, the Issuer will furnish the KASE with a Russian translation of this Drawdown Prospectus (the “**Translation**”). The Translation has been prepared by the Issuer solely for the purpose of listing the securities described in this Drawdown Prospectus on the KASE and obtaining the NBK Permissions. In the event of any conflict or discrepancy between the English version of this Drawdown Prospectus and the Translation, or any dispute regarding the interpretation of any statement in the English version or the Translation, the English version shall prevail.

Prospective purchasers must comply with all laws that apply to them in any place in which they buy, offer or sell any Notes or possess this Drawdown Prospectus or the Base Prospectus incorporated by reference herein. Persons into whose possession this Drawdown Prospectus comes are required by the Issuer and the Joint Bookrunners to inform themselves

about and to observe such restrictions. Any consents or approvals that are needed in order to purchase any Notes must be obtained. None of the Issuer, the Joint Bookrunners, the Trustee, the Principal Paying and Transfer Agent or the Luxembourg Registrar are responsible for compliance with these legal requirements. The appropriate characterisation of any Notes under various legal investment restrictions, and thus the ability of investors subject to these restrictions to purchase such Notes, is subject to significant interpretative uncertainties. None of the Issuer, the Trustee, the Principal Paying and Transfer Agent or the Luxembourg Registrar or the Joint Bookrunners or any of the respective representatives is making any representation to any offeree or purchaser of the Notes regarding the legality of an investment by such offeree or purchaser under relevant legal investment or similar laws.

NEITHER THE NOTES NOR ANY BENEFICIAL INTERESTS THEREIN HAVE BEEN APPROVED OR DISAPPROVED BY THE U.S. SECURITIES AND EXCHANGE COMMISSION, ANY STATE SECURITIES COMMISSION IN THE UNITED STATES OR ANY OTHER U.S. REGULATORY AUTHORITY, NOR HAVE ANY OF THE FOREGOING AUTHORITIES PASSED UPON OR ENDORSED THE MERITS OF THE NOTES OR THE ACCURACY OR THE ADEQUACY OF THIS DRAWDOWN PROSPECTUS OR THE BASE PROSPECTUS. ANY REPRESENTATION TO THE CONTRARY IS A CRIMINAL OFFENCE IN THE UNITED STATES.

Each potential investor in the Notes must determine the suitability of that investment in light of its own circumstances. In particular, each potential investor should:

- have sufficient knowledge and experience to make a meaningful evaluation of the Notes, the merits and risks of investing in the Notes and the information contained or incorporated by reference in this Drawdown Prospectus or any applicable supplement;
- have access to, and knowledge of, appropriate analytical tools to evaluate, in the context of its particular financial situation, an investment in the Notes and the impact the Notes may have on its overall investment portfolio;
- have sufficient financial resources and liquidity to bear all of the risks of an investment in the Notes, including Notes with principal or interest payable in one or more currencies, or where the currency for principal or interest payments is different from the potential investor’s home currency;
- understand thoroughly the terms of the Notes and be familiar with the behaviour of any relevant indices and financial markets; and
- be able to evaluate (either alone or with the help of a financial advisor) possible scenarios for economic, interest rate and other factors that may affect its investment and its ability to bear the applicable risks.

The Notes are complex financial instruments. Sophisticated institutional investors generally do not purchase complex financial instruments as standalone investments. They purchase complex financial instruments as a way to reduce risk or enhance yield with an understood, measured and appropriate addition of risk to their overall portfolios. A potential investor should not invest in Notes which are complex financial instruments unless it has the expertise (either alone or with a financial advisor) to evaluate how the Notes are expected to perform under changing conditions, the resulting effects on the value of the Notes and the impact this investment will have on the potential investor’s overall investment portfolio.

The investment activities of certain investors may be subject to law or review or regulation by certain authorities. Each potential investor should determine for itself, on the basis of professional advice where appropriate, whether and to what extent Notes are lawful investments for it, Notes can be used as collateral for various types of borrowing, and other restrictions apply to its purchase or pledge of any Notes. Financial institutions should consult their legal advisers or the appropriate regulators to determine the appropriate treatment of Notes under any applicable risk based capital or similar rules.

THIS DRAWDOWN PROSPECTUS DOES NOT CONSTITUTE AN OFFER OF SECURITIES FOR SALE IN ANY JURISDICTION WHERE IT IS UNLAWFUL TO DO SO. THE SECURITIES HAVE NOT BEEN, AND WILL NOT BE, REGISTERED UNDER THE U.S. SECURITIES ACT OF 1933, AS AMENDED (THE “SECURITIES ACT”), OR THE SECURITIES LAWS OF ANY STATE OF THE UNITED STATES OR OTHER JURISDICTION, AND THE SECURITIES MAY NOT BE OFFERED OR SOLD WITHIN THE UNITED STATES OR TO, OR FOR THE ACCOUNT OR BENEFIT OF, U.S. PERSONS (AS DEFINED IN REGULATIONS UNDER THE SECURITIES ACT), EXCEPT PURSUANT TO AN EXEMPTION FROM, OR IN A TRANSACTION NOT SUBJECT TO, THE REGISTRATION REQUIREMENTS OF THE SECURITIES ACT AND APPLICABLE LAWS OF OTHER JURISDICTIONS.

This Drawdown Prospectus may be communicated solely to (A) persons outside the United Kingdom or (B) persons inside the United Kingdom who are (i) persons with professional experience in matters relating to investments falling within Article 19(5) of the Financial Services and Markets Act 2000 (Financial Promotion) Order 2005, as amended (the “**Order**”), (ii) high net worth entities, and other persons to whom it may lawfully be communicated, falling within Article 49(2)(a) to (d) of the Order or (iii) persons to whom an invitation or inducement to engage in investment activity (within the meaning of section 21 of the Financial Services and Markets Act 2000, as amended) in connection with the issue or sale of any securities of the Issuer or any member of its Group (as defined in the preliminary prospectus) may otherwise lawfully be communicated or caused to be communicated (all such persons in (A) and (B) above being “relevant persons”). Any investment activity to which this communication relates will only be available to and will only be engaged with relevant persons. Any person who is not a relevant person should not act or rely on this communication.

RISK FACTORS

Investment in the Notes involves a high degree of risk. Prospective investors should consider carefully, among other things, the risks set forth below and under “Risk Factors” in the Base Prospectus, and the other information contained in this Drawdown Prospectus and the Base Prospectus, prior to making any investment decision with respect to the Notes. Attention is drawn particularly to the information under the heading “Risk Factors” on pages 4 to 20 (inclusive) of the Base Prospectus which must be read in conjunction with the additional risk factors set out below. The risks highlighted below and under “Risk Factors” in the Base Prospectus, individually or together, could have a material adverse effect on the Issuer’s business, financial condition, results of operations or prospects, which, in turn, could have a material adverse effect on its ability to service payment obligations under the Notes. In addition, the value of the Notes could decline if any of these risks materialise, and the Noteholders may lose some or all of their investment. Prospective investors should note that the risks described below and under “Risk Factors” in the Base Prospectus, are not the only risks the Issuer may face. The Issuer has described only the risks it considers to be material and of which it is aware. There may be additional risks that the Issuer currently does not consider material or of which it is currently unaware, and any of these risks could have the effect set forth above.

Depreciation of the Tenge against the U.S. Dollar

As principal, interest and other amounts payable on the Notes are payable in U.S. Dollars, while the Notes are denominated in Tenge, the risk of a depreciation of the Tenge against the U.S. Dollar is one of the most significant risks that prospective purchasers of Notes are assuming. If the Tenge depreciates against the U.S. Dollar, the effective yield on the Notes (in U.S. Dollar terms) may decrease below the interest rate on the Notes, and the amount payable on an interest payment date, at maturity or upon acceleration may be less than an investor’s original investment, resulting in a loss to investors. Depreciation of the Tenge against the U.S. Dollar may also adversely affect the market value of the Notes.

Although the Tenge is a fully convertible currency, generally, there is no market outside Kazakhstan for the exchange of amounts denominated in Tenge with amounts denominated in other currencies (such as U.S. Dollars) and the market for doing so in Kazakhstan is of a limited size. The ability of prospective purchasers of Notes to rely on the forward market for foreign exchange of Tenge to hedge their exposure to a devaluation of the Tenge relative to the U.S. Dollar may also be limited.

All amounts due in respect of the Notes, including principal, interest and other amounts (if any), shall be calculated by the Calculation Agent for payment in U.S. Dollars by dividing the relevant Tenge amounts by the Average Representative Market Rate on the applicable Rate Calculation Date. The Average Representative Market Rate shall be determined by the Calculation Agent based on the arithmetic mean of the Representative Market Rates (as defined in “*Amendments to the Terms and Conditions of the Notes with respect to the Series 7 Notes*” below) for the last five business days on which commercial banks and foreign exchange markets are open in Astana, Kazakhstan immediately before any Rate Calculation Date, whereas a Rate Calculation Date is defined in the Conditions (as defined below) as the third such business day preceding any Interest Payment Date, the Maturity Date or any other date on which principal, interest or any other amount shall become payable pursuant to the Conditions, all as more fully set out in the Conditions. The Representative Market Rate shall be determined based on the Tenge/U.S. Dollar official daily exchange rate for the previous such business day as reported by the NBK and published on its website. In the event that such rate is not available, the Calculation Agent shall poll reference banks set out in “*Amendments to the Terms and Conditions of the Notes with respect to the Series 7 Notes*” to determine the applicable Representative Market Rate, all as more fully described in “*Amendments to the Terms and Conditions of the Notes with respect to the Series 7 Notes*”.

Absent manifest error, any calculation by the Calculation Agent shall be binding on all Noteholders and the Issuer’s payment obligations with respect to the Notes will be fully satisfied by paying amounts notified to it by the Calculation Agent.

As at the Issue Date, the yield on the Notes is 9.625% per annum. As the Notes are denominated in Tenge, however, while interest, principal and any other amounts are payable in U.S. Dollars, the total yield, stated in percentage terms, on an investment in Notes will be affected by fluctuations in the exchange rate between the Tenge and the U.S. Dollar and may not be the same when calculated in U.S. Dollars as when calculated in Tenge.

Investors whose financial activities are denominated in a currency or currency unit other than U.S. Dollars may receive less interest or principal than expected, or no interest or principal on the Notes, as a result of fluctuations in exchange rates or changes to exchange controls

The Issuer will pay principal and interest on the Notes in U.S. Dollars. This presents certain risks relating to currency conversions if an investor’s financial activities are denominated principally in a currency or currency unit (the “**Investor’s Currency**”) other than U.S. Dollars. These include the risk that exchange rates may significantly change (including

changes due to devaluation of the U.S. Dollar or revaluation of the Investor's Currency) and the risk that authorities with jurisdiction over the Issuer's or the Investor's Currency may impose or modify exchange controls. An appreciation in the value of the Investor's Currency relative to the U.S. Dollar would decrease (i) the Investor's Currency equivalent yield on the Notes, (ii) the Investor's Currency-equivalent value of the principal payable on the Notes and (iii) the Investor's Currency-equivalent market value of the Notes.

Governmental and monetary authorities may impose (as some have done in the past) exchange controls that could adversely affect an applicable exchange rate. As a result, investors may receive less interest or principal than expected, or no interest or principal on the Notes.

AMENDMENTS TO THE TERMS AND CONDITIONS OF THE NOTES WITH RESPECT TO THE SERIES 7 NOTES

With respect to the Series 7 Notes only, the Conditions appearing on pages 110 to 131 (inclusive) of the Base Prospectus will be amended as follows:

Condition 2.1. shall be deemed to be supplemented to include the following additional definitions:

“Average Representative Market Rate” shall mean the arithmetic mean of the Representative Market Rates for the last five FX Business Days immediately before (and including) the applicable Rate Calculation Date. In the event that the Calculation Agent is unable to make this calculation due to the unavailability of Representative Market Rates necessary for the calculation, then the Calculation Agent shall take the arithmetic mean of the NBK Rate for the last five days that such NBK Rate was published.

“Calculation Business Day” shall mean an FX Business Day used to determine the Average Representative Market Rate.

“FX Business Day” shall mean, solely for the purposes of determining the Representative Market Rate, a day, other than a Saturday or Sunday, on which commercial banks and foreign exchange markets are open for business in Astana, Kazakhstan.

“Rate Calculation Date” shall mean the third FX Business Day preceding each Interest Payment Date, the Maturity Date or any other date on which principal or interest becomes payable under these Conditions.

“Representative Market Rate” shall mean, with respect to any Calculation Business Day, the Tenge / U.S. Dollar daily official (market) foreign exchange rate for the previous FX Business Day, expressed as the amount of Tenge per one U.S. Dollar and as reported by the National Bank of Kazakhstan (the “NBK”) and published on its website (<http://www.nationalbank.kz/?docid=362&switch=english> or any successor page thereto) (the “NBK Rate”), as determined by the Calculation Agent. In the event that the NBK Rate is unavailable for any Calculation Business Day, then the Calculation Agent shall determine the Representative Market Rate by polling the Reference Banks on the immediately following FX Business Day for the Tenge / U.S. Dollar exchange rate at noon Astana time on such Calculation Business Day for the professional market and taking the arithmetic mean of the polled exchange rates, provided that at least two quotations are obtained (the “Reference Rate”).

“Tenge” means the lawful currency for the time being of the Republic of Kazakhstan.

Definitions of the “Calculation Agent” and the “Reference Banks” shall be deleted from Condition 2.1 in their entirety and replaced with the following:

“Calculation Agent” shall mean Citibank N.A., London Branch or any successor thereof.

“Reference Banks” shall mean ForteBank JSC, JSC Halyk Bank, “Tsesna Bank” JSC, Citibank Kazakhstan JSC and JSC Kazkommertsbank or their legal successors.

Condition 11 shall be deleted in its entirety and replaced with the following:

11. PAYMENTS

- 11.1. Payments of principal shall be made in U.S. Dollars and in the amounts calculated in accordance with Condition 11.3, only against surrender of Notes at the Specified Office of any Transfer Agent or of the Registrar by U.S. Dollar cheque drawn on, or by transfer to U.S. Dollar account maintained by the payee with a bank.
- 11.2. Payments of interest shall, subject to Condition 11.5, be made to the person shown on the Register at the close of business on the fifteenth day before the due date for payment thereof (the “Record Date”). Payments of interest on each Note shall be made in U.S. Dollars and in the amounts calculated in accordance with Condition 11.3, by (i) transfer to U.S. Dollar account maintained by the payee with a bank or (ii) U.S. Dollar cheque drawn on a bank and mailed by uninsured post to the holder (or to the first named of joint holders) of such Note at its address appearing in the Register. The holder of such Notes will not be entitled to any interest or other payment for any delay in receiving any amount due in respect of such Notes as a result of a cheque posted in accordance with this Condition arriving after the due date for payment or being lost in the post.
- 11.3. Amounts of interest and principal due in respect of the Notes will be calculated by the Calculation Agent for payment in U.S. Dollars by dividing the relevant Tenge amounts by the Average Representative Market Rate on

the applicable Rate Calculation Date. The Calculation Agent will, on each Rate Calculation Date, notify the Issuer, the Trustee and the Paying Agents of the amounts of interest and principal (stated in both Tenge and U.S. Dollars) payable on any Interest Payment Date, the Maturity Date or any other date on which principal or interest becomes payable under these Conditions, as applicable, as well as the applicable Average Representative Market Rate.

- 11.4. All payments in respect of the Notes are subject in all cases to any applicable fiscal or other laws and regulations in the place of payment, but without prejudice to the provisions of Condition 12. No commissions or expenses shall be charged to the Noteholders in respect of such payments.
- 11.5. If the due date for payment of any amount in respect of any Note is not a Payment Business Day, the holder shall not be entitled to payment in such place of the amount due until the next succeeding Payment Business Day in such place and shall not be entitled to any further interest or other payment in respect of any such delay.
- 11.6. All notifications, opinions, determinations, certificates, calculations, quotations and decisions given, expressed, made or obtained for the purposes of this Condition by the Calculation Agent will (in the absence of manifest error) be binding on the Issuer, the Trustee, the Paying Agents and the Noteholders and no liability to any such Person will attach to the Calculation Agent in connection with the exercise or non - exercise by it of its powers, duties and discretions for such purposes.

Condition 10.2 shall be deleted in its entirety and replaced with the following:

10.2 The Notes may be redeemed at the option of the Issuer in whole, but not in part, at any time, on giving not less than 30 nor more than 60 days' notice to the Noteholders in accordance with Condition 19 (which notice shall be irrevocable), at their Early Redemption Amount (Tax), together with interest accrued (if any) to the date fixed for redemption, if:

(i) the Issuer satisfies the Trustee immediately before the giving of notice that it has or will become obliged to pay additional amounts as provided or referred to in Condition 12 as a result of any change in, or amendment to, the laws or regulations of Kazakhstan or any political subdivision or any authority thereof or therein having power to tax, or any change in the application or official interpretation of such laws or regulations (including a holding by a court of competent jurisdiction), which change or amendment becomes effective on or after the Issue Date of the first Tranche of the Notes; and

(ii) such obligation cannot be avoided by the Issuer taking reasonable measures available to it, provided, however, that no such notice of redemption shall be given earlier than 90 days prior to the earliest date on which the Issuer would be obliged to pay such additional amounts if a payment in respect of the Notes were then due.

Prior to the publication of any notice of redemption pursuant to this paragraph, the Issuer shall deliver to the Trustee (A) a certificate signed by two directors of the Issuer stating that the Issuer is entitled to effect such redemption and setting forth a statement of facts showing that the conditions precedent to the right of the Issuer so to redeem have occurred and (B) an opinion of independent legal advisers of recognised standing to the effect that the Issuer has or will become obliged to pay such additional amounts as a result of such change or amendment. Upon the expiry of any such notice as is referred to in this Condition 10.2, the Issuer shall be bound to redeem the Notes in accordance with this Condition 10.2.
