### **Update on Noteholder Discussions**

Nostrum Oil & Gas PLC (LSE: NOG) ("**Nostrum**", or "**the Company**"), an independent oil and gas company engaging in the production, development and exploration of oil and gas in the pre-Caspian Basin, today announces that Nostrum is engaged in advanced discussions with the financial and legal advisers to a steering committee of holders of the Notes, namely PJT Partners (UK) Limited and Akin Gump Strauss Hauer & Feld, respectively, with a view to entering into a forbearance agreement with certain holders of the Notes in relation to the interest payments referred to below, which Nostrum believes is in the best interest of all stakeholders. If and once such forbearance agreement is entered into, Nostrum will make an announcement inviting all other holders of its Notes (as defined below) to join that agreement within a specified period of time.

An event of default has occurred under the terms of the indenture governing its 8.0% Senior Notes due 2022 (the "**2022 Notes**") issued by Nostrum Oil & Gas Finance B.V. (the "**Issuer**") resulting from the Issuer's non-payment of interest due and payable on 25 July 2020 to the holders of the 2022 Notes and the expiration of the 30-day grace period which commenced on the same date. The Issuer also did not pay interest on its 7.0% Senior Notes due 2025 (the "**2025 Notes**") when due and the 30-day grace period in respect of such payment is continuing. The Issuer does not expect to make such interest payment at the end of the grace period.

Nostrum will make further announcements in due course, as appropriate.
