## **TETHYS PETROLEUM LIMITED PRESS RELEASE**

("Tethys" or "the Company" (TSX:TPL, LSE:TPL))

### **Tethys Petroleum wins World Finance Award – Best Exploration and Production Company Asia 2013**

LONDON, UNITED KINGDOM - Tethys Petroleum Limited is proud to announce that it has won the prestigious World Finance Oil & Gas Award for the *Best Exploration and Production Company, Asia 2013*. Dr. David Robson, Executive Chairman and President of Tethys Petroleum Limited, was honoured to accept this award on behalf of Tethys at the London Stock Exchange on November 20, 2013.

World Finance is a leading financial magazine produced by London based World News Media. The awards are judged by an experienced panel based on detailed research and independent nominations.

This is a great achievement for the Company and Tethys looks forward to its continued success. The release of the World Finance publication highlighting this award is scheduled to be issued in January/February 2014.

The 2012 winner of this award was the China National Petroleum Corporation (CNPC).

Tethys is focused on oil and gas exploration and production activities in Central Asia and the Caspian Region with activities currently in the Republics of Kazakhstan, Tajikistan, Uzbekistan and most recently is now moving into Georgia. This highly prolific oil and gas area is rapidly developing and Tethys believes that significant potential exists in both exploration and in discovered deposits.
