

Press release*Astana, March 20, 2023***«KazTransOil» JSC successfully shipped 6,900 tons of Kazakh oil for export for further delivery in the direction of the port of Baku**

In the port of Aktau, the first test shipment of 6,900 tons of oil from the Kashagan field for export was successfully completed for further delivery in the direction of the port of Baku. The oil shipper is INPEX North Caspian Sea, Ltd.

According to Hiroshi Ikeda, director of the Kazakhstan Branch INPEX North Caspian Sea, Ltd, the test shipment showed the possibility of diversifying export routes for Kashagan oil by rail transportation towards the Trans-Caspian route. Hiroshi Ikeda expressed his gratitude to the staff of “KazTransOil” JSC and other organizations participating in the process for the timely work performed in accordance with safety requirements. The representative of INPEX North Caspian Sea, Ltd also said that the company will continue cooperation on the development of reserve export routes together with the government of the Republic of Kazakhstan and JSC NC “KazMunayGas”.

For reference:

KazTransOil JSC is the national operator of the main oil pipeline. It is part of the NC KazMunayGas JSC group. KazTransOil JSC owns a diversified network of main oil pipelines 5.4 thousand km in length.
