

Press release*Astana, October 24, 2023***KazTransOil JSC will export oil from the Kashagan field via the Atyrau-Samara pipeline in an amount of at least 80 thousand tons monthly**

From October 2023 to April 2024, KazTransOil JSC transports oil from the Kashagan field through the Atyrau-Samara section of the Uzen-Atyrau-Samara main oil pipeline, further through the system of Transneft PJSC, with subsequent shipment to the Black Sea (Novorossiysk port, Sheskhari terminal) in a volume of at least 80 thousand tons monthly.

This measure is being carried out in order to maintain the maximum technical capability of pumping oil on the Atyrau-Samara section of the Uzen-Atyrau-Samara main oil pipeline in the autumn-winter period.

The shippers of raw materials are Agip Caspian Sea B.V., ExxonMobil Kazakhstan Inc., Inpex North Caspian Sea LTD, CNNK Kazakhstan B.V., TotalEnergy EP Kazakhstan, Private Limited Liability Company KMG Kashagan B. IN." and Shell Kazakhstan Development B.V.

In March 2023, KazTransOil JSC carried out a test shipment of 6.9 thousand tons of oil from the Kashagan field at the port of Aktau for export for further delivery towards the port of Baku. The shipper of the oil was INPEX North Caspian Sea, Ltd.

For reference:

KazTransOil JSC is the national oil pipeline operator with a diversified network of oil pipelines 5.4 thousand km in length. It is part of the NC KazMunayGas JSC group.
