

Press release

Astana, February 27, 2024

Starting from April 1, 2025, the tariff of KazTransOil JSC for oil discharge service from railway tank cars will change for export destinations outside the Republic of Kazakhstan

Pursuant to the Order of the General Director (Chairman of the Management Board) of KazTransOil JSC No. 14 dated February 25, 2025, starting from April 1, 2025, the tariff for additional service of oil discharge from railway tank cars at the Aktau oil pumping station will change for export outside the Republic of Kazakhstan. The new tariff will be KZT625.36 per 1 ton (excluding VAT).

The current tariff of KZT375 per ton (excluding VAT) was introduced on January 1, 2023.
