Currency exchange at the most favorable rate is available in Sberbank Online in online mode 24/7

April 09, 2018, Almaty – Now users of Sberbank Online can make currency exchange operations at the most favorable rate in online mode.

"Sberbank is putting a lot of emphasis on the development of digital technologies. Our remote service channels are becoming more friendly and unique to clients from day to day. The function of currency exchange was launched last year. At the moment, we are seeing the popularity of this service. Today, we offer our clients to perform conversion operations under more favorable terms than in our outlets," Aleksey Akimov, Deputy Chairman of the Management Board of SB Sberbank JSC, emphasizes.

For profitable currency exchange anywhere in the world, it is necessary to:

- connect to Sberbank Online mobile application;
- have an account in KZT or foreign currency (if necessary, you can open a savings account in foreign currency online);
- go to the "Currency Exchange" section and perform the required operation.

Sberbank Online is the Internet banking for individuals. The platform provides clients with a wide range of functionality:

1. Payment for more than 1000 services without fee;
2. Money transfers to any cards of the world;
3. Transfers in national and foreign currencies to accounts in the Republic of Kazakhstan and abroad;
4. Cash withdrawal from ATMs by code without a card;
5. Online deposit opening, partial replenishment and cash withdrawal from it 24/7;
6. The most modern protection with a dual authentication system.

To be registered with Sberbank Online it is necessary to have an active Sberbank card with the SMS-banking connection.
