KASE and Bloomberg conducted a round table meeting "BLOOMBERG DAY ON KASE"

Kazakhstan Stock Exchange (KASE, the Exchange) and Bloomberg L.P. have jointly conducted a round table meeting called "Bloomberg Day on KASE".

The event's purpose is to introduce the audience to modern-day trends in cooperation with investors and other interested parties, as well as to instruments of increasing a company's investment attractiveness.

Deputy Chairman of Management Board of KASE Natalia Khoroshevskaya held a welcoming speech.

During the roundtable meeting Bloomberg's regional managers Ablai Amanbaev and Bolat Yusupov told the audience about instruments IR Bloomberg for attracting and cooperating with investors, and about capabilities of a Bloomberg terminal.

KASE representatives presented information on the Exchange's requirements for information disclosure, international standards used on KASE, as well as details of KASE information products.

Participants discussed the role of non-financial information on company activities when taking investment decisions.

For reference

Kazakhstan Stock Exchange (KASE) is a leading stock exchange in the Central Asian region and the only exchange in Kazakhstan, carrying out its activities in the financial market. It is a universal trading platform for repo market instruments, foreign currencies, government and corporate securities, bonds of international financial institutions as well as derivatives.

KASE is a member of the World Federation of Exchanges (WFE), the Federation of Euro-Asian Stock Exchanges (FEAS) and other international and local professional associations. In 2015, KASE joined the UN Sustainable Stock Exchanges initiative. KASE occupies the second place among the CIS exchanges in terms of securities trading volume, as well as the sixth rank in terms of the equity market capitalization among the FEAS exchanges.
