* The procedure for formation of a list of audit organizations recognized by KASE is published at the link https://kase.kz/files/normative_base/form_list_audit.pdf

Note:

Level 1: audit organizations that can audit financial statements of issuers in order to include securities in the official list of KASE and their presence in this list, regardless of the market.

Level 2: audit organizations that can audit financial statements of issuers in order to include securities in the official list of KASE and their presence in this list on the following markets:

- "Alternative";
- "Mixed" in the sectors "Securities of investment funds" and "Islamic securities";
- "Private placement".

KASE accepts reports on financial statements and/or reports on the review of interim financial statements from audit organizations not quoted on the List, taking into account the specifics established by Article 10 of the Listing Rules https://kase.kz/files/normative_base/listing_rules.pdf
